MUSHROOM BROWN APPLICATION

STEP 1: SECTIONING

Separate the front from the back with a vertical parting from the top of the head to the top of the ear. Repeat on the opposite side. Divide the back equally with a vertical parting from the top of the head to the center of the nape, and from the top of the head to the front hairline.

STEP 2: APPLICATION

Starting in the back-left quadrant, take a ¼" (0.5cm) diagonal back slice and apply **Formula 1** to Zone 1. Then apply **Formula 2** to Zones 2-3, being careful not to overlap into Zone 1.

- Without leaving any hair between sections, continue to take ¼" (0.5cm) diagonal back slices and repeat application by applying **Formula 1** to Zone 1 and **Formula 2** to Zones 2-3. Complete the quadrant then repeat on opposite side.
- Repeat in the front quadrant using the same diagonal back slice technique as the previous sections. Once complete, repeat on opposite side.
- Process for 20 minutes at room temperature. Rinse, shampoo, and condition with **Redken Color Extend Magnetics**.
